Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Friday 26 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain early Friday then brighter but colder, a few showers.

Today:
Rather cloudy with occasionally heavy rain clearing east in the morning. Brightening up with sunny spells developing around late morning with scattered showers to follow, mainly west, turning wintry on high ground. Maximum temperature 9 deg C (48 deg F).

Tonight:
A few wintery showers continue in the west this evening and early in the night. Otherwise a dry evening and night with increasingly clear skies. Cold with a widespread frost. Minimum temperature -2 deg C (28 deg F).

Saturday:
A cold frosty start with largely clear skies. Patchy cloud increases through the morning. Increasingly cloudy and breezy through the afternoon, rain in the evening. Maximum temperature 8 deg C (46 deg F).

Outlook for Sunday to Tuesday:
Mostly dry and breezy Sunday and Monday, rather cloudy, but warm in any sunny breaks in the east. Some rain Sunday and Monday nights. Rain clearing early Tuesday, showers later.
